

# PIONEER CAREER ACHIEVEMENT CENTER (PCAC)

Transformative Direction 1: Students Learning in a Diverse and Global 21st Century  
Strategic Initiative 5: Preparing for Careers and Lives of Purpose

## EMPLOYER CONNECTIONS FLOOR:

A Welcoming Environment tailored to employer connections. This space will include virtual presentation suites and ample shared working space available to all.

## THE PIONEER PATIO:

A space designed with Colorado uniquely in mind. The Patio will include information about local mountain ranges and photos of the early days of DU. Designed with a mass timber concept and landscaped with native Colorado plants.

## CAREER EXPLORATION LABORATORY:

Housed on the second floor and dedicated to a formal setting for student preparation. A space for workshops, seminars, and professional conversations.

## ASPIRING TO LEED GOLD:

The Facility seeks energy usage 50% below the average for similar buildings and will feature variable refrigerant flow and photovoltaic panels on the roof.

## A COMMITMENT TO ALL

Every element of the Pioneer Career Achievement Center serves a purpose, provides a venue and inspires connection. Within the building, rooms and spaces are designed to fulfill the University's vision for career achievement and lifelong networks.
